(12) Except as otherwise provided in this act, an applicant shall pay a fee of \$10.00 to the secretary of state for each original or renewal official state personal identification card issued. The department of treasury shall deposit the fees received and collected under this section in the state treasury to the credit of the general fund. The legislature shall appropriate the fees credited to the general fund under this act to the secretary of state for the administration of this act. Appropriations from the Michigan transportation fund created under section 10 of 1951 PA 51, MCL 247.660, shall not be used to compensate the secretary of state for costs incurred and services performed under this section.

(14) The secretary of state shall waive the fee under this section if the applicant is any of the following:

(a) A person 65 years of age or older.

(b) A person who has had his or her operator's or chauffeur's license suspended, revoked, or denied under the Michigan vehicle code, 1949 PA 300, MCL 257.1 to 257.923, because of a mental or physical infirmity or disability.

(c) A person who presents evidence of statutory blindness as provided in 1978 PA 260, MCL 393.351 to 393.368.

(d) A person who presents other good cause for a fee waiver.

The secretary of state may correct the address on an identification card by a method prescribed by the secretary of state. A fee shall not be charged for a change of residence address.

(17) Except as otherwise provided in subsections (15) and (16), a person who has been issued an official state personal identification card may apply for a renewal official state personal identification card for 1 or more of the following reasons:

A person who has agreed to participate in the donor registry shall not be considered to have revoked that agreement solely because the person's official state personal identification card has expired. Enrollment in the donor registry constitutes a legal agreement that remains binding and in effect after the donor's death regardless of the expressed desires of the deceased donor's next of kin who may oppose the donor's anatomical gift.

(21) A valid official state personal identification card presented by the person to whom the card is issued shall be considered the same as a valid state of Michigan driver license when identification is requested except as otherwise specifically provided by law.

Sec. 5a. (1) Each county shall have a concealed weapon licensing board. The concealed weapon licensing board of each county shall have the following members:

(a) The county prosecuting attorney or his or her designee. However, if the county prosecuting attorney decides that he or she does not want to be a member of the concealed weapon licensing board, he or she shall notify the county board of commissioners in writing that he or she does not want to be a member of the concealed weapon licensing board for the balance of his or her term in office. The county board of commissioners shall then appoint a replacement for the prosecuting attorney who is a firearms instructor who has the qualifications prescribed in section 5j(1)(c). The person who replaces the prosecuting attorney shall serve on the concealed weapon licensing board in place of the prosecuting attorney for the remaining term of the county prosecuting attorney unless removed for cause by the county board of commissioners. If a vacancy occurs on the concealed weapon licensing board of the person appointed pursuant to this section during the term of office of the county prosecuting attorney, the county board of commissioners shall appoint a replacement person who is a firearms instructor who has the qualifications prescribed in section 5j(1)(c).

(b) The county sheriff or his or her designee.

(c) The director of the department of state police or his or her designee.

(2) If a prosecuting attorney chooses not to be a member of the concealed weapon licensing board, all of the following apply:

(a) The prosecuting attorney shall be notified of all applications received by the concealed weapon licensing board.

(b) The prosecuting attorney shall be given an opportunity to object to granting a license to carry a concealed pistol and present evidence bearing directly on an applicant's suitability to carry a concealed pistol safely.

(c) The prosecuting attorney shall disclose to the concealed weapon licensing board any information of which he or she has actual knowledge that bears directly on an applicant's suitability to carry a concealed pistol safely.

(3) The county prosecuting attorney or his or her designee shall serve as chairperson of the board unless the prosecuting attorney does not want to be a member of the concealed weapon licensing board, in which case the concealed weapon licensing board shall elect its chairperson. Two members of the concealed weapon licensing board constitute a quorum of the concealed weapon licensing board. The business of the concealed weapon licensing board shall be conducted by a majority vote of all of the members of the concealed weapon licensing board.

(4) The county clerk shall serve as the clerk of the concealed weapon licensing board.

(5) Except as otherwise provided in this act, the concealed weapon licensing board has exclusive authority to issue, deny, revoke, or suspend a license to carry a concealed pistol. The concealed weapon licensing board shall perform other duties as provided by law.

(6) The concealed weapon licensing board may convene not more than 3 panels to assist the board in

evaluating applicants. The panels shall be composed of representatives as prescribed in subsection (1). The panels do not have the authority to issue, deny, revoke, or suspend a license.

(7) The concealed weapon licensing board may investigate the applicant for a license to carry a concealed pistol. The investigation shall be restricted to determining only whether the applicant is eligible under this act to receive a license to carry a concealed pistol, and the investigation regarding the issuance of a license shall end after that determination is made. The concealed weapon licensing board may require the applicant to appear before the board at a mutually agreed-upon time for a conference. The applicant's failure or refusal to appear without valid reason before the concealed weapon licensing board as provided in this subsection is grounds for the board to deny issuance of a license to carry a concealed pistol to that applicant.

(8) If the concealed weapon licensing board determines there is probable cause to believe the safety of the applicant or the safety of a member of the applicant's family is endangered by the applicant's inability to immediately obtain a license to carry a concealed pistol, the concealed weapon licensing board may, pending issuance of a license, issue a temporary license to the individual to carry a concealed pistol. A temporary license shall be on a form provided by the department of state police. A temporary license shall be unrestricted and shall be valid for not more than 180 days. (9) The legislative service bureau shall compile the firearms laws of this state, including laws that apply to carrying a concealed pistol, and shall provide copies of the compilation to each concealed weapon licensing board in this state for distribution under this subsection. A concealed weapon licensing board shall distribute a copy of the compilation to each individual who applies for a license to carry a concealed pistol at the time the application is submitted. The concealed weapon licensing board shall require the applicant to sign a written statement acknowledging that he or she has received a copy of the compilation. An individual is not eligible to receive a license to carry a concealed pistol until he or she has signed the statement.

(j) The applicant has not been found guilty but mentally ill of any crime and has not offered a plea of not guilty of, or been acquitted of, any crime by reason of insanity.

(k) The applicant has never been subject to an order of involuntary commitment in an inpatient or outpatient setting due to mental illness.

(l) The applicant does not have a diagnosed mental illness at the time the application is made regardless of whether he or she is receiving treatment for that illness.

(m) The applicant is not under a court order of legal incapacity in this state or elsewhere.

(n) Issuing a license to the applicant to carry a concealed pistol in this state is not detrimental to the safety of the applicant or to any other individual. A determination under this subdivision shall be based on clear and convincing evidence of repeated violations of this act, crimes, personal protection orders or injunctions, or police reports or other clear and convincing evidence of the actions of, or statements of, the applicant that bear directly on the applicant's ability to carry a concealed pistol.

(8) Upon entry of a court order or conviction of 1 of the enumerated prohibitions for using, transporting, selling, purchasing, carrying, shipping, receiving or distributing a firearm in this section the department of state police shall immediately enter the order or conviction into the law enforcement information network. For purposes of this act, information of the court order or conviction shall not be removed from the law enforcement information network, but may be moved to a separate file intended for the use of the county concealed weapon licensing boards, the courts, and other government entities as necessary and exclusively to determine eligibility to be licensed under this act.

(9) An individual, after submitting an application and paying the fee prescribed under subsection (5), shall request and have classifiable fingerprints taken by the county sheriff or a local police agency if that local police agency maintains fingerprinting capability. If the individual requests that classifiable fingerprints be taken by a local police agency, the individual shall also pay to that local police agency a fee of \$15.00 by any method of payment accepted by the unit of local government for payments of other fees and penalties. The county sheriff or local police agency shall take the fingerprints within 5 business days after the request.

(10) The fingerprints shall be taken, under subsection (9), on forms and in a manner prescribed by the department of state police. The fingerprints shall be immediately forwarded to the department of state police for comparison with fingerprints already on file with the department of state police. The department of state police shall forward the fingerprints to the federal bureau of investigation. Within 10 days after receiving a report of the fingerprints from the federal bureau of investigation, the department of state police shall provide a copy to the submitting sheriff's department or local police agency as appropriate and the clerk of the appropriate concealed weapon licensing board. Except as provided in subsection (14), the concealed weapon licensing board shall not issue a concealed pistol license until it receives the fingerprint comparison report prescribed in this subsection. The concealed weapon licensing board may deny a license if an individual's fingerprints are not classifiable by the federal bureau of investigation.

(11) The concealed weapon licensing board shall deny a license to an applicant to carry a concealed pistol if the applicant is not qualified under subsection (7) to receive that license.

(12) A license to carry a concealed pistol that is issued based upon an application that contains a material false statement is void from the date the license is issued.

(13) Subject to subsections (10) and (14), the concealed weapon licensing board shall issue or deny issuance of a license within 45 days after the concealed weapon licensing board receives the fingerprint comparison report provided under subsection (10). If the concealed weapon licensing board denies issuance of a license to carry a concealed pistol, the concealed weapon licensing board shall within 5 business days do both of the following:

(a) Inform the applicant in writing of the reasons for the denial. Information under this subdivision shall include all of the following:

(i) A statement of the specific and articulable facts supporting the denial.

(ii) Copies of any writings, photographs, records, or other documentary evidence upon which the denial is based.

(b) Inform the applicant in writing of his or her right to appeal the denial to the circuit court as provided in section 5d.

(14) If the fingerprint comparison report is not received by the concealed weapon licensing board within 60

days after the fingerprint report is forwarded to the department of state police by the federal bureau of investigation, the concealed weapon licensing board shall issue a temporary license to carry a concealed pistol to the applicant if the applicant is otherwise qualified for a license. A temporary license issued under this section is valid for 180 days or until the concealed weapon licensing board receives the fingerprint comparison report provided under subsection (10) and issues or denies issuance of a license to carry a concealed pistol as otherwise provided under this act. Upon issuance or the denial of issuance of the license to carry a concealed pistol to an applicant who received a temporary license under this section, the applicant shall immediately surrender the temporary license to the concealed weapon licensing board that issued that temporary license.

(15) If an individual licensed under this act to carry a concealed pistol moves to a different county within this state, his or her license remains valid until it expires or is otherwise suspended or revoked under this act. A license to carry a concealed pistol that is lost, stolen, or defaced may be replaced by the issuing county clerk for a replacement fee of \$10.00.

(16) If a concealed weapons licensing board suspends or revokes a license issued under this act, the license is forfeited and shall be returned to the concealed weapon licensing board forthwith. An individual who fails to return a license as required under this subsection after he or she was notified that his or her license was suspended or revoked is guilty of a misdemeanor punishable by imprisonment for not more than 93 days or a fine of not more than \$500.00, or both.

(17) An applicant or an individual licensed under this act to carry a concealed pistol may be furnished a copy of his or her application under this section upon request and the payment of a reasonable fee.

(18) This section does not prohibit the concealed weapon licensing board from making public and distributing to the public at no cost lists of individuals who are certified as qualified instructors as prescribed under section 5j.

(19) As used in this section:

(a) "Convicted" means a final conviction, the payment of a fine, a plea of guilty or nolo contendere if accepted by the court, or a finding of guilt for a criminal law violation or a juvenile adjudication or disposition by the juvenile division of probate court or family division of circuit court for a violation that if committed by an adult would be a crime.

(b) "Felony" means that term as defined in section 1 of chapter I of the code of criminal procedure, 1927 PA 175, MCL 761.1, or a violation of a law of the United States or another state that is designated as a felony or that is punishable by death or by imprisonment for more than 1 year.

(c) "Mental illness" means a substantial disorder of thought or mood that significantly impairs judgment, behavior, capacity to recognize reality, or ability to cope with the ordinary demands of life, and includes, but is not limited to, clinical depression.

(e) "Treatment" means care or any therapeutic service, including, but not limited to, the administration of a drug, and any other service for the treatment of a mental illness.

(6) The collection and testing of breath, blood, and urine specimens under this section shall be conducted

However, the certification of a certified law enforcement officer described in this subsection may be revoked under section 9b if the officer committed an offense during the period of active duty in the armed forces that resulted in a conviction enumerated in section 9b(1). As used in this subsection, "reserve components of the United States armed forces" means that term as defined in section 2 of the military family relief fund act, 2004 PA 363, MCL 35.1212. This subsection does not apply to a commission certified law enforcement officer who volunteers for a term of active military service or who voluntarily extends a term of active military service that began when he or she was called to active duty. This subsection does not apply to a commission certified law enforcement officer who is dishonorably discharged from a term of active military service.

- (5) Except as otherwise provided in this section, a regularly employed person employed on or after January 1, 1977 as a member of a police force having a full-time officer is not empowered to exercise all the authority of a peace officer in this state, or be employed in a position for which the authority of a peace officer is conferred by statute, unless the person has received certification under section 9a(1).
- (6) A law enforcement officer employed before January 1, 1977 may continue his or her employment as a law enforcement officer and participate in training programs on a voluntary or assigned basis but failure to obtain certification under section 9a(1) or (2) is not grounds for dismissal of or termination of that employment as a law enforcement officer. A person who was employed as a law enforcement officer before January 1, 1977 who fails to obtain certification under section 9a(1) and who voluntarily or involuntarily discontinues his or her employment as a law enforcement officer may be employed as a law enforcement officer if he or she was employed 5 years or more as a law enforcement officer and is again employed as a law enforcement officer within 2 years after discontinuing employment as a law enforcement officer.

 - (a) The tribal law enforcement officer is certified under this act.
 - (b) The tribal law enforcement officer is 1 of the following:
 - (i) Deputized by the sheriff of the county in which the trust lands of the Michigan Indian tribe employing the tribal law enforcement officer are located, or by the sheriff of any county that borders the trust lands of that Michigan Indian tribe, pursuant to section 70 of 1846 RS 14, MCL 51.70.
 - (ii) Appointed as a police officer of the state or a city, township, charter township, or village that is authorized by law to appoint individuals as police officers.
 - (c) The deputation or appointment of the tribal law enforcement officer described in subdivision (b) is made pursuant to a written contract that includes terms the appointing authority under subdivision (b) may require between the state or local law enforcement agency and the tribal government of the Michigan Indian tribe employing the tribal law enforcement officer.
 - (d) The written contract described in subdivision (c) is incorporated into a self-determination contract, grant agreement, or cooperative agreement between the United States secretary of the interior and the tribal government of the Michigan Indian tribe employing the tribal law enforcement officer pursuant to the Indian self-determination and education assistance act, Public Law 93-638, 88 Stat. 2203.
- (8) A law enforcement officer of a multicounty metropolitan district, other than a law enforcement officer employed by a law enforcement agency created under the public body law enforcement agency act, is not empowered to exercise the authority of a peace officer under the laws of this state and shall not be employed in a position for which peace officer authority is granted under the laws of this state unless all of the following requirements are met:
 - (a) The law enforcement officer has met or exceeded minimum standards for certification under this act.
 - (b) The law enforcement officer is deputized by the sheriff or sheriffs of the county or counties in which the land of the multicounty metropolitan district employing the law enforcement officer is located and in which the law enforcement officer will work, pursuant to section 70 of 1846 RS 14, MCL 51.70.
 - (c) The deputation or appointment of the law enforcement officer is made pursuant to a written agreement that includes terms the deputizing authority under subdivision (b) may require between the state or local law enforcement agency and the governing board of the multicounty metropolitan district employing the law enforcement officer.
 - (d) The written agreement described in subdivision (c) is filed with the commission.
- (9) A public body that creates a law enforcement agency under the public body law enforcement agency act and that employs 1 or more law enforcement officers certified under this act shall be considered to be a law enforcement agency for purposes of section 9d.
- (10) The commission may establish an evaluation or testing process, or both, for granting a waiver from the law enforcement officer minimum standards regarding training requirements to a person who has held a

certificate under this act and who discontinues employment as a law enforcement officer for a period of time exceeding the time prescribed in subsection (2)(a) to (c) or (6), as applicable.
